Puberty-Safe Deodorants on Amazon

Screenshot reference — October 2026

What this document contains

One screenshot per Amazon-available Puberty-Safe deodorant SKU, taken from the live Amazon listing.

Coverage: 24 pages representing 32 of the 39 Puberty-Safe deodorants in the master audit — the SKUs with confirmed Amazon availability. Two pages (MONA storefront, Each & Every merchant store) each cover a group of related SKUs without individual dp URLs surfaced through Google indexing.

Not shown: the 7 Puberty-Safe deodorants that are direct-to-consumer only (Routine, Tabatha, Primally Pure Baby, Sinca Clean Beauty, Soki, and a Each & Every SKU bundle variant without its own ASIN).

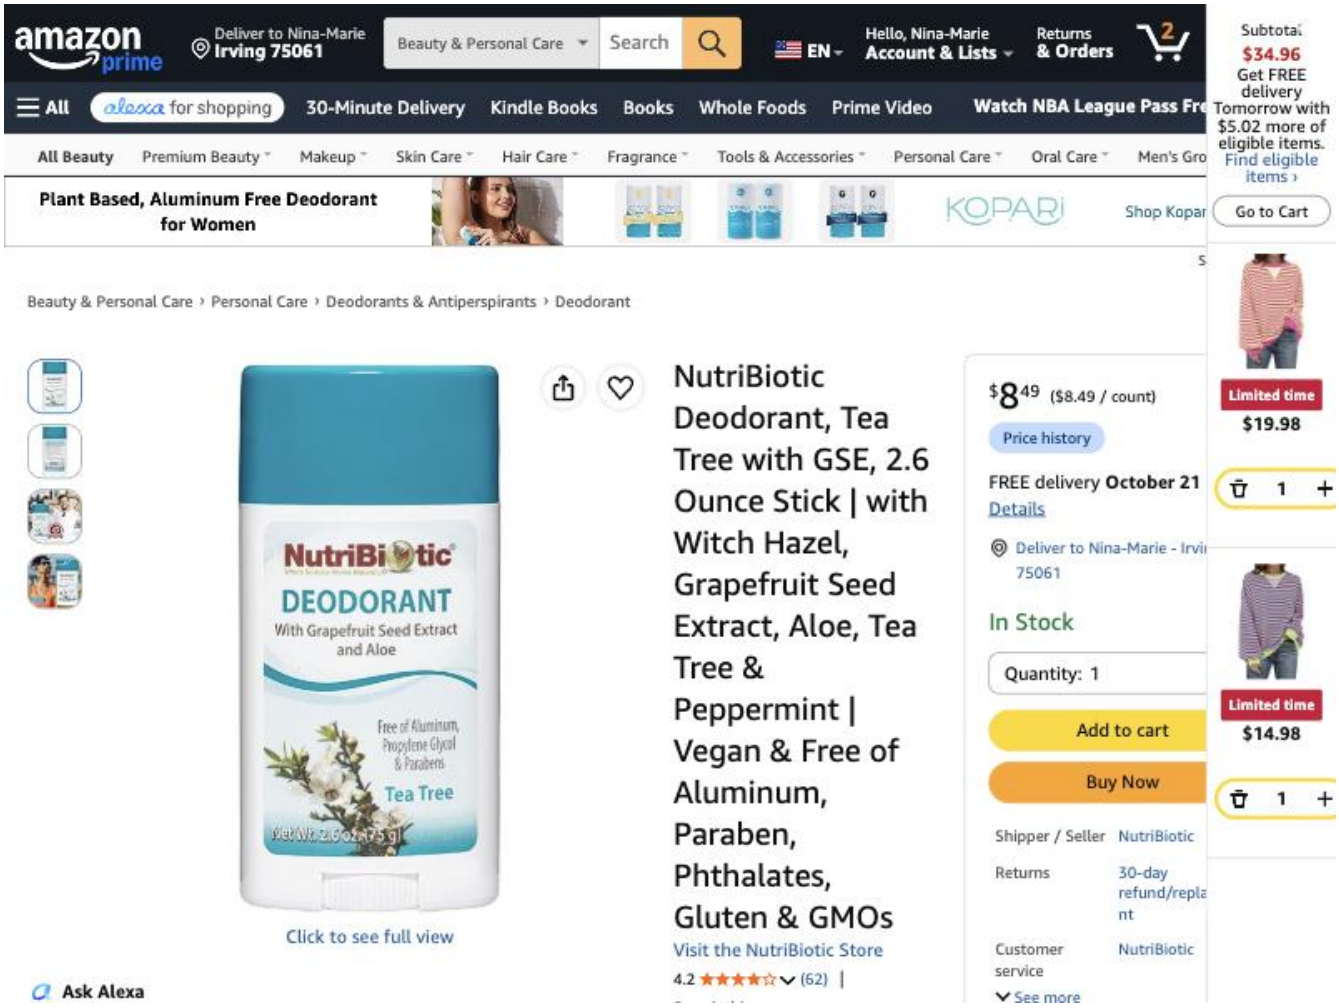

Each page shows the product's Amazon page as rendered in a standard North American browser sessio with the full Amazon URL printed below for direct access.

Source of truth: brand_audits master dataset. Amazon availability re-verified October 15–16, 2026.
